Registration Management for Baseball & Softball

SportsSignup provides online solutions that bring your baseball or softball organization to a whole new level – enabling you to manage registrant data easily and securely. Now, you can accept credit card payments, enforce organization rules, communicate with registrants, track finances and more—all online.

Affordable, pay-per-use pricing: NO setup fees, NO support fees, NO monthly contracts, NO minimum use, and NO ads posted on your site.

Online Registration

Manage your league in a professional and consistent manner and take the burden off your volunteers:

- Online registration makes registration easy for families and your Registrar
- Automatically configure and export rosters for easy upload to Little League Data Center
- Customizable forms let you collect data important to your organization
- Accept major credit cards, eChecks or paper checks—funds are deposited directly into your bank account

Team Creation Tools

With just a few clicks, administrators can create teams and assign coaches, team parents, and players:

- Create teams and print rosters
- Coaches have access to their rosters online
- Coaches can e-mail their teams and print rosters

E-mail Communication

Increase communication with registrants and coaches with convenient e-mail tools:

- E-mail any grouping: age group, team or everyone
- E-mail only registrants that still owe money
- System generated e-mails send order confirmations and payment receipts

Report Generation

Get accurate and timely information with real-time reports:

- Detailed registration reports, exportable to Excel® and/or Little League Data Center
- Run a variety of finance reports, including accounts receivable
- Customize reports using any field(s) in the database

Safety and Security

Our web hosted system provides unprecedented security for your organization:

- All web pages are secure, using SSL encryption
- Payment Card Industry Data Security Standard (PCI DSS) Certified
- Data is backed up daily on-site and off-site
